Management and Business Studies

Awarded on 28th Oct 2017

at IRTD 2017 - Kathmandu, Nepal

Rahul Eragula
Faculty of Business and Law, Deakin University,
Melbourne, Australia

Rahul Eragula is a management researcher who entangles his writings and work with the concept of genuine leadership that God wants us to operate in. He has written numerous research papers on leadership alongside many case-studies that envelop the modern marketing and entrepreneurship principles. His book “The Essence of Role Contentment in Corporate Leadership” has brought multiple responses from leaders emerging from various backgrounds towards attaining that one thing man always wants, which is the factor of contentment. Adding to his many publications, he has received multiple accolades in his career among which, recognitions for Business Excellence in Business Leadership and Business Excellence in Marketing Management awarded by the World Confederation of Businesses are notable.
